

## MTTF Certificate

For the electronic products provided by our company, the MTTF values are listed below:

**1. Reference standard:**

We calculate the MTTF value of our electronic products using the special software and the parts count process according ISO 13849-1 appendix C.5  
 ( ISO13849-1 )

**2. Calculation formulas:**

Calculation formulas	
$MTTF = \frac{1}{\sum_{i=1}^n \frac{1}{MTTF_n}}$	$MTTF_D = MTTF \cdot 2$

**3. Calculation results:**

Part Number	Product category	MTTF	MTTFd
<b>LKHA-1616P-TA</b>	<b>electronic products</b>	<b>110 years</b>	<b>220 years</b>
